

Park Dedeman Levent Hotel is the first hospitality project on Halk GYO's portfolio. It will meet the much felt need for business hotels on Mecidiyeköy-Maslak line, Istanbul.

The project is aimed to be an environmentally friendly building and is a candidate for the certificate of LEED.

In parallel with 10-year lease agreement signed with Dedeman Group as part of their Dedeman Park concept chain, the hotel has been delivered to Dedeman Group and opened its gates.
